**DETAILED ACTION**

1. This is the communication in response to the amendment filed on January 7, 2011 for application, titled: "Method For Electronically Initiating And Managing Agricultural Production Contracts".

***Allowable Subject Matter***

2. Claims 1-23 and 25-29 are pending. All pending claims are allowed.
3. The following is an examiner's statement of reasons for allowance:
4. The closest prior arts are the combination of Commodity Trading Manual ("Manual") and Walker (U.S. Patent 5,794,207). The cited prior arts, either combined together or stand alone, fail to teach the limitations of in a formation of agricultural contracts for forward contracting of agricultural commodities, storage of data in the database system relating to types and amounts of agricultural commodities desired by one or more potential agricultural buyers and establishing a defined allocation of an amount of a type agricultural commodity according to at least one allocation parameter wherein at least one of the at least one allocation parameter is set to reduce risk associated with forward contracting of agricultural commodities. Thus, the cited prior arts of record fail to teach or suggest a method for electronically initiating and managing agricultural production contracts as claimed by the Applicant.
5. The Examiner has performed an update search and did not identify any references that disclose the claimed invention, or could be used to combine with the references. For this reason, the claims 1-23 and 25-29 are allowed.

- Pertinent prior art: "Assessing Economic Incentive For Contracting In the Pork Industry: A Mathematical Simulation Approach (Production)", Author: Vande Kamp, Philip Ryan, University of Minnesota, 1997, volume 5811A of Dissertation Abstracts International, page 4379.
6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

7. Claims 1-23 and 25-29 are allowed.
